## NEWSLETTER

The goal of the Maine Woodworkers Association is to bring all aspects of woodworking closer to its members and to educate everyone seeking knowledge from woodworkers in Maine. Meetings are times of friendship and learning, where everyone is welcome to share ideas, camaraderie, and of course, coffee.

## **Meeting Host Schedule**

Jul – Alan Bradstreet

Aug – Kevin Rodel

September – Ned Merrick

## **Current Meeting Host**

Wednesday, July 12, 6:30 pm, Alan Bradstreet, 856 Lawrence Road,  
Pownal, 04069

The July meeting and summer Ice Cream Social will be held at Alan Bradstreet's home (and shop) on July 12, at 6:30 p.m.

Alan has transformed one room of his home into a gallery of sorts, highlighting his work over the years, in wood and salvaged materials. Aside from the boxes and bookmarks for which most people know him, he will also be showing some of the non-wood oddities he has created over the years including a prosthetic finger tip, an array of hats made from kitchen utensils, unusual stringed instruments and horns, hand cranked automata, jewelry made from dismantled VHS player parts, an eleven foot long riding wood plane, and more. He believes a twisted mind is a terrible thing to waste.

Refreshments will include ice cream floats and sundaes along with other edibles and beverages.

## **Directions**

His address is 856 Lawrence Road, Pownal, 04069 . From Rte 295 take exit 22 in Freeport and follow the signs to Bradbury Mountain State Park. Pass the park entrance on Rte 9 (Hallowell Road) and go north 1.75 miles. Turn left onto Poland Range Road. Go 2 miles to a "T" and turn right onto Lawrence Road. The house is immediately on your left, a big white house with two bay windows, directly across from the North Pownal Community Club.

Feel free to bring a friend or significant other.
