## NEWSLETTER

The goal of the Maine Woodworkers Association is to bring all aspects of woodworking closer to its members and to educate everyone seeking knowledge from woodworkers in Maine. Meetings are times of friendship and learning, where everyone is welcome to share ideas, camaraderie, and of course, coffee.

## **Notes from December Meeting:**

All meetings will begin at 6:30. This will allow our elders to get to bed by 8:00pm.

Each meeting host below has agreed to "host" that month's meeting. This means that they can personally host or find a host and organize that meeting

**Chuck Devine** has accepted the handover from Ned for the position of President  
Thank you, Chuck.

Rich Schilling (that's me) has decided to resign as newsletter editor. It is time for someone new to take over this task, which is about ½ hour per month. I will teach the new editor how to upload the newsletter to the MWA website.
